Welcome to Flowery Branch Elementary School.

I am honored to serve as the principal at FBES, where we are the TRIBE. Being part of a strong and successful school community is such a privilege. At FBES, our students, parents, and teachers care for each other and desire to build positive relationships to support academic and social growth. When parents, students, and teachers work together, a strong educational foundation is built that will continue throughout a child's educational career.

As the Principal of Flowery Branch Elementary School, I want to maintain a safe and positive learning environment for all of our students and teachers. The staff of FBES works to grow students who are dedicated to academic success and strong character. We want students to leave FBES as Thoughtful, Respectful, In Control, Being Responsible, and Engaged individuals. We use the TRIBE Pledge to help students remember these traits: "At Flowery Branch Elementary School, we are the TRIBE. Our students are Thoughtful, Respectful, In control, Being Responsible, and Engaged." We believe these expectations will ensure our students are successful not only in school but throughout life.

My desire is that all students experience high quality instruction, are held to high expectations, learn to the best of their abilities, and are engaged in their education. Our teachers utilize research-based instructional strategies in their classrooms. They also analyze academic data to determine students' current skill levels to help students grow and to set goals for themselves. Our teachers also strive to grow and improve. FBES teachers believe in a growth mindset for themselves and their students. At FBES, we all strive to be better tomorrow than we are today in everything we do.

Sincerely,

Amy Bright

FBES Principal
