

**School-Parent Compact
Flowery Branch Elementary
2026-2027
Revised 06/17/2026**

Dear Parent/Guardian,

Flowery Branch Elementary, students participating in the Title I, Part A program, and their families agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Flowery Branch Elementary partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the Spring of each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey, which is also used as a tool to collect parent feedback regarding the current Title I programs and policies. Please call or email us if you need assistance with child care or transportation in order to participate in our programs.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

Hall County School System Goals:

- By the end of FY27, the overall CCRPI score for HCSD will increase by 2 points from the previous year's overall score, demonstrating measurable improvement in school performance across content mastery, progress, closing gaps, graduation rate, and readiness.
- By the end of FY27, the district will implement and monitor targeted strategies that strengthen the overall well-being of students and staff, as evidenced by an increase in the Georgia School Climate Rating by 1%.

Flowery Branch Elementary School Improvement Goals 2026 - 2027:

- By the end of FY27, the overall CCRPI scores for Flowery Branch Elementary will increase by 2 points from the previous year's overall score, demonstrating measurable improvement in school performance across content mastery, progress, closing gaps, and readiness.
- By the end of SY27, the percentage of students in the 41% and above will increase by 2% on map Reading and Math from Spring 26 to Spring 27 data.

To help your child meet the district and school goals, the school, you, and your child will work together to:

School/Teacher Responsibilities:

- Provide materials and resources for at-home practice, which may include online resources and hands-on materials to reinforce learning at home.
- Provide parents with an opportunity to participate in school and curriculum-focused events/workshops.
- Communicate school news and updates through The Arrow (school newsletter), school website, and Social Media.

- Offer parent conferences, either in person, over the phone, or via Zoom, to fully explain grade-level expectations, students' current level of progress, and strategies to increase student achievement in math and literacy.
