

New School Policy FAQ's

What is the purpose of the new policy?

To better provide students with an opportunity to learn about and practice a healthy lifestyle while also protecting students with food allergies.

Can my child still bring a lunch from home?

Yes. Your child will continue to have the same opportunity to bring their lunch from home.

If a visitor wants to eat lunch with my child, can they bring food from outside restaurants like Chick-fil-A for the child and adult to eat?

No. If the visitor would like to eat, a meal can be purchased from the school lunchroom.

If a visitor brings outside food from a local restaurant or sweets for a party will it be thrown away?

No. The food items will remain in the front office and the visitor can pick up the items when leaving.

Can the student bring food like left-overs in their lunch?

Yes. Food items that are brought from home and are packed in the student's lunchbox are still allowed.

Can I bring in cupcakes or other sweet items for my child's birthday?

No. Non-food items like pencils or stickers could be given to the classmates instead. Certain food items are allowed if on the Approved Outside Food List.

Valentine's Day is coming up. Can I send in suckers or Valentines with candy attached?

No. Please do not send in sweet items like candy for students to pass out to classmates.

Is there any resources for non-food rewards or a list of approved outside foods?

Yes. Check on the FBES Website for resources regarding:

- Non-Food Reward Ideas
- Approved Outside Food List
- Product Calculator to determine healthy foods
